TUDOR

PELAGOS FXD CHRONO

What is it that drives someone to greatness? To take on the unknown, venture into the unseen, and dare all? This is the spirit that gave birth to TUDOR, a spirit carried forward by every individual who wears this watch. This is the spirit that drives the **TUDOR Pro Cycling Team**. On their wrists is the TUDOR Pelagos FXD Chrono, a 43mm diameter sports chronograph boldly combining carbon and titanium. Light, just like their bikes. Some are born to follow. Others are born to dare.
